## BIOGRAPHIES

### MICK MULKERRIN

Mick Mulkerrin from County Meath returns to Milwaukee for Milwaukee Set Dance Club's 9th annual Midwinter Set Dance Weekend. Mick is a well known set dancing teacher who has taught all over the world, including several workshops for Milwaukee's own Irish Fest Summer School. Mick is also a renowned sean-nos (old style) dancer. We look forward to working with Mick once again not only to learn set dances but also to brush up on our steps and foot work!

### JOHN WHELAN

Mr. Whelan is well known in this town and all across the world to fans of traditional Irish music and dance. His dynamic playing at our Late Night ceilis has always kept the energy flowing right into the wee hours.

When the Irish Echo named John Traditionalist of the Year, Earle Hitchner described him as "an instrumentalist, composer, producer, and arranger who brings both passion and playfulness to his music while respecting the tradition it's rooted in."

The Wall Street Journal has praised John as a "true master" in whose performances "humor and high energy blend with impeccable musicianship."
